

## 2021 Administrative Report

The past 21 months have been very challenging on all of us, I would be remiss if I didn't Thank each and every one of you for your kindness and understanding while myself, our staff, volunteers and Board of Directors navigated the changes.

The 2021 season was not what any of us had hoped for with Ontario resorts forced into shutdown for 6+ weeks delaying training and cancelling competition not only in Ontario but across Canada. Although we were unable to execute any competitions, our athletes were still able to train, and we had the opportunity to provide enhanced training environments to clubs & athletes.

Ontario Snowboard remains financially stable, and we were able to provide direct financial support to member clubs through the Ministry's Club Funding Covid Relief Program.

Through Red Cross Funding we are prepared to provide safe training and competition with the required PPE, signage, and equipment to reduce contact points during Ontario Snowboard training and competition.

We continue to plan for the 2022 season and remain hopeful that we can safely provide training and competition opportunities to all our athletes.

I want to wish everyone a safe and happy holiday season and look forward to seeing everyone on hill soon.

Janet Richter  
Executive Director
