

## 2022 Chairman's Report

January 9<sup>th</sup>, 2023

Although the 2022 season began later than we had hoped due to the policy responses to the pandemic, we were able to get back to hosting events in late January and through the remainder of the season with attendance numbers at or higher in most disciplines at all levels of competition.

The dedication, commitment and passion of our past chair Mike Nazwaski is reflected in our success and response over the past two years. I would like to thank Mike for his ongoing commitment to the sport of snowboarding and support and guidance in my transition to Chairman.

On behalf of the Board of Directors, I want to thank Elaine Kilmer-Choi & Edith Kangas for their commitment to the organization as they retire from the board. They have each completed their nine-year maximum term this year and will truly be missed.

We would like to thank the Ontario Ministry of Tourism, Culture and Sport for their ongoing support, the Government of Canada for assisting with our international events as well as all of our partners.

I would like to thank our staff, officials and volunteers who commit their time and expertise to many long and cold hours. The dedication and commitment of everyone involved with Ontario Snowboard creates the opportunity for our athletes to participate in our amazing sport. Together we are creating the opportunity for athletes to achieve excellence. It is an honour to be a part of our Ontario Snowboard community.

Rod Frost

Chairman
