

January 31st, 2023

Dear Board Members and Esteemed Members of Ontario Snowboard,

I am pleased to present to you the Chairman's Report for the 2023 season. Despite the challenges brought about by the change in our winter weather systems, Ontario Snowboard has persevered and achieved significant milestones, showcasing the resilience and dedication of our organization.

The 2022/23 season began later than expected due to the lack of snow across the country. However, I am delighted to report that we successfully resumed hosting events in late January and continued throughout the season. We observed attendance numbers at or higher in most disciplines at all levels of competition, a testament to the unwavering enthusiasm and commitment within our community. Ontario Snowboard took part in hosting several events from the provincial level to a World Cup level and everything in between. Additionally, we initiated some great programs in 2023 that will enhance the training opportunities for all our athletes across all disciplines, enabling Ontario athletes to compete provincially, nationally, and internationally.

I would like to extend our gratitude to the Ontario Ministry of Tourism, Culture and Sport for their continued support, as well as the Government of Canada for their assistance with our international events, and all our esteemed partners.

Our heartfelt thanks go out to our hardworking staff, officials, and volunteers, whose tireless dedication and expertise have been pivotal in ensuring the success of our events, often amidst long and challenging hours. It is through their unwavering commitment that Ontario Snowboard continues to provide a platform for our athletes to excel in this amazing sport.

Together, we are fostering an environment where athletes can strive for excellence, and it is truly an honor to be part of the Ontario Snowboard community.

In conclusion, I extend my deepest appreciation to each and every one of you for your continued support and dedication to Ontario Snowboard. As we look ahead, let us remain committed to our shared vision and continue to work collaboratively towards furthering the success of our organization.

Sincerely,
Rod Frost
Chairman, Ontario Snowboard
