

2024 Administrative Report

Training & Competition

National / International Events

- 2024 was a challenging season across Canada with numerous cancellations including the 2023 Alpine Snow TKO World Cup & 2024 NorAm events in Snowboardcross, Slopestyle & Big Air.
- We had the opportunity to host the 2024 JR Nationals in HP, SBX, SS & PGS bringing the countries top JR athletes together across Speed & Style disciplines.
- We again delivered the 2024 Speed Nation Alpine Snowboard Nationals at Blue Mountain and had an amazing week of snowboard racing with NorAm/Senior National Championship PGS&PSL

Provincial Speed Series

Executed Alpine and Snowboardcross competitions as part of the 2024 Speed Series with FIS categories at each event.

Executed freestyle events as part of the 2024 Style Series with World Snowboard Points List & FIS categories at each event.

Thank you to all the resorts, coaches, officials, athletes, and parents for helping make 2024 such a success.

Technical Programs

- Canada Snowboard Coaching Program

Ontario continues to be a leader in coach development and would like to thank the Coaches Association of Ontario for their funding support in the development of Ontario snowboard coaches.

- Canada Snowboard Officials Program

We have the best Officials; I can't say this enough and hear it from not only our national partner but also our provincial counterparts as we have so many officials travelling outside of Ontario to assist in various on hill positions.

High-Performance Program

The 2023-2024 season marked Ontario Snowboard's HPP acceptance into the Canadian Sport Institute of Ontario's High Performance Sport Initiative. Inclusion into this program has led to an increased sophistication of the Ontario Snowboard High Performance Program.

I look forward to working with each and every one of you to grow our sport and provide our athletes with the support and opportunities they have worked so hard for.

Thank you.

Janet Richter
Executive Director
