

Ontario Snowboard
Code of Conduct – Parents and Spectators

PURPOSE

This Code of Conduct identifies the standard of behaviour, which is expected of all Ontario Snowboard Members, including athletes, coaches, parents, directors, volunteers, staff, chaperones and others.

Spectators, including parents and coaches, are an integral part of Ontario Snowboard activities. Our Ontario Snowboard Staff, Officials and volunteers work very diligently to ensure the best possible experience for both competitors and spectators at our events. While our goal is to maximize the spectator experience, we must also ensure that the integrity of the competition is preserved at all times. The following parent and spectator guidelines have been developed to ensure everyone's safety and to preserve the authenticity and integrity of our events. In any case, spectators should not take any action deemed detrimental to the athlete environment and/or experience.

APPLICATION & GUIDELINES

Ontario Snowboard is committed to providing a sport environment in which all individuals are treated with respect.

Anyone watching a particular athletic activity or event is considered a spectator. A spectator may be a parent, a relative, friend, teammate, opposing player, administrator or coach not directly involved in the game. Spectators are an important part of any athletic activity; however, they are not essential. Spectators should never influence the outcome of an event and must never pose a distraction to athletes, other spectators and officials.

Any spectator watching an Ontario Snowboard sanctioned activity will be expected to respect and adhere to this Policy.

Spectators of athletes and spectators at activities will:

- I. Support the sport snowboarding
- II. Conduct themselves at all times in a fair and responsible manner
- III. Encourage athletes to play by the rules and resolve conflicts without resorting to hostility or violence
- IV. Stress the importance of participation
- V. Avoid spectator-imposed pressures to win
- VI. Be supportive of the athlete, team, coach, opponents and officials
- VII. Respect the decisions and judgments of officials and encourage athletes to do the same
- VIII. Maintain a supportive, constructive atmosphere conducive to the athletes' personal development
- IX. Refrain from negative communications with players, coaches and officials which are disrespectful, offensive, abusive, racist or sexist
- X. Behaviour which constitutes harassment, abuse, bullying or cyber-bullying will not be tolerated by Ontario Snowboard
