

## Ontario Snowboard Screening Policy

### 1) PURPOSE

Ontario Snowboard understands that screening employees, contractors, officials and volunteers, including Board members, is a vital part of providing a safe sporting environment. Ontario Snowboard takes all reasonable steps to provide a safe and secure environment for participants in its programs, activities and events.

The purpose of screening is to identify individuals who may pose a risk to Ontario Snowboard and its participants in the course of the individual's involvement in such programs, activities and events.

This policy is to ensure that Ontario Snowboard has taken due diligence by means of screening any staff, officials and volunteers involved in these areas to protect:

- I. Individuals under the age of 19 who are competitors
- II. Volunteers at an event who interact with competitors
- III. The integrity of cash management and financial transactions
- IV. The handling of confidential information under the Privacy Act
- V. Any other vulnerable sector as determined from time to time

An Ontario Snowboard sanctioned activity can be defined as a competition or program that is immediately supervised by Ontario Snowboard or contracted individual and/or volunteers. This encompasses all training, competitions, activities including but not limited to Riglet, Riders, and Provincial Series etc.

### 2) APPLICATION

- a) The level of screening to which individuals will be subjected to including a Police Information Check or Vulnerable Sector Verification (PIC-VSV) will depend on the level of risk posed by the individual's role, as not all positions pose the same risk of harm to Ontario or its participants.   - III. **Level 3 – High Risk** – Individuals involved in high risk positions that are not in Level 1 or 2. Level 3 positions involve: (a) positions of trust and/or authority; (b) a supervisory or management role that is more than minor or occasional; (c) more than occasional direction of others; (d) regular financial/cash management or any financial/cash management of amounts exceeding \$500; or (e) more than limited access to and/or authority over minors or people with a disability while performing Ontario Snowboard functions.
